Gender:	Male	
Preferred contact address for correspondence:	6/28, PARANAWATTA ROAD, BATUWANTHUDAWA ROAD, HAPUGALA, WAKWELLA, SRI LANKA	
Postal code	80000	
Phone:	(m)+94773508666	(h)+94912282134
Contact email address:	Shanaka.mohotti@gmail.com	

QUALIFICATIONS:**PRIMARY MEDICAL QUALIFICATION**

Qualification title:	Bachelor of Medicine and Bachelor of Surgery (MBBS)
Year qualified:	February 2012
Year awarded:	May 2013
Country of training:	Sri Lanka
Medical school:	Faculty of Medicine
Controlling university:	University of Ruhuna, Sri Lanka
Duration of training :	5 years + 1 year Internship
Internship was started after completion of 5 years of Basic Medical training From: <u>10/12/2012</u> To: <u>09/12/2013</u>	

SPECIALIST QUALIFICATION (PRINCIPAL/HIGHEST)

Qualification title:	Doctor of Medicine in Medicine (MD-Medicine)
Year qualified:	October 2018
Year awarded:	December 2019
Country of training:	Sri Lanka
Institution awarding qualification:	Postgraduate Institute of Medicine, University of Colombo, Sri Lanka
Duration of training – years:	4
Number of years to completion of specialist training – years:	1 (Needs to complete one year of training in another country other than Sri Lanka to complete training)

MEMBERSHIPS OF PROFESSIONAL ORGANISATIONS:

Date from/to:	Organisation:
01/2019 – To date	Association of Sri Lanka Neurologists- Associate member
06/2016 – To date	Galle medical association- Lifetime membership
12/2013- To date	Sri Lanka Medical Council-Full registration with licence to practice- No 30638

TRAINING: CERTIFICATES AND COURSES:

Date:	Course/ certificate:
08/2012	Course on Administrative, Interpersonal and Management Skills, conducted by Faculty of Medicine, university of Ruhuna
09/2012	Cardiopulmonary resuscitation course, conducted by ministry of health, Sri Lanka and the college of anaesthesiologists of Sri Lanka
02/2016	Clinical examination skills assessment workshop, conducted by Ceylon college of physicians
06/2016	Workshop on ECG interpretation, conducted by Galle medical association
10/2016	Workshop on diabetes and kidney diseases, conducted by Galle medical association
04/2017	Basics of biostatistics, conducted by Galle medical association
11/2018	Work shop on basics of Polysomnography, conducted by Association of Sri Lanka Neurologists
02/2020	Pre congress work shop on essential Neurology, conducted by Association of Sri Lanka Neurologists

ENGLISH LANGUAGE QUALIFICATIONS:

OET grade B (medicine version)- 09th May 2021

CLINICAL/PROCEDURAL SKILLS:

Competent	observed
Basic Nerve Conduction studies	Intra operative neuro monitoring (IONM)
Electromyography (EMG)	Single Fiber EMG
Electroencephalography (EEG)	US guided Botox injection
Visual Evoked Potentials (VEP)	US guided EMG
Electroretinography (ERG)	Electrocoricography (ECoG)
Brain stem Auditory Evoked Potentials (BSER)	
Sensory & Motor evoked potentials (SEP/MEP)	
Video EEG monitoring	
Continuous ICU EEG monitoring	
Polysomnography	
Botox injection	
Lumbar puncture & CSF manometry	
Venepuncture	
Pleural aspiration	
Arterial blood gas sampling	
Endotracheal intubation	
Advanced cardio pulmonary resuscitation	

DETAILED EMPLOYMENT HISTORY:**EMPLOYMENT IN SPECIALIST PRACTICE (AFTER COMPLESION OF PRINCIPAL SPECIALIST QUALIFICATION):**

Start/end dates:	From 01 st March 2021 to date
Institution/hospital:	Teaching Hospital Anuradhapura
Position title:	Acting consultant Clinical Neurophysiologist
Location :	Sri Lanka
Registering authority:	Ministry of Health, Sri Lanka
Duties:	<p>Supervision & Leading the Neurophysiology team of the hospital, consists of 01 Medical officer, 04 Technicians & 02 Supporting staff members.</p> <p>Performance & interpretation of Nerve conduction studies/EMG of inward & clinic patients referred by other units of the hospital & from the secondary & primary care institutions in north central region of Sri Lanka.</p> <p>Reporting the EEG, Video EEG monitoring, Evoked potentials, polysomnography & ICU EEGs with provision of clinical correlation.</p> <p>Active participation of Multi disciplinary team meetings on VEEG & Epilepsy surgery</p> <p>Supervision, Teaching and training of junior staff including doctors and nurses & technicians.</p> <p>Teaching of medical postgraduates and medical undergraduates.</p>

Start/end dates:	From 15 th November 2018 to 28 th February 2021
Institution/hospital:	National Hospital of Sri Lanka /Teaching Hospital Karapitiya
Position title:	Senior Registrar in Clinical Neurophysiology
Location :	Sri Lanka
Registering authority:	Ministry of Health, Sri Lanka
Duties:	<p>Performance & interpretation of Nerve conduction studies & EMG of inward & clinic patients under the supervision of Consultant Interpretation & reporting the EEG, Evoked potentials, polysomnography& ICU neuro monitoring under the supervision of Consultant.</p> <p>Active participation of Multi disciplinary team meetings on VEEG & Epilepsy surgery.</p> <p>Botox injection for Hemifacial & Blepherosplasms, Cervical dystonia , spasmodic dysphonia, Limb spasticity..etc.</p> <p>Management of inward and clinic patients in neurology under supervision of the consultant</p> <p>Guiding the Thrombolysis of Acute stoke & stoke rehabilitation</p> <p>Responsible for care and management of the patients during the hospital stay.</p> <p>Go through all referrals from other specialities.</p> <p>Teaching and training of junior staff including doctors and nurses& technicians.</p> <p>Teaching to medical postgraduates and medical undergraduates</p> <p>Conducting clinical audits.</p>

EMPLOYMENT DURING SPECIALIST TRAINING:
