

# Duke-Ruhuna Collaborative Research Centre

*At Duke-Ruhuna Collaborative Research Centre, our vision extends beyond borders. We aspire to become a beacon of research and educational excellence, serving the Southern Province of Sri Lanka. Explore our commitment to improving health through relevant and impactful medical research and educational programmes.*

We are offering a free seminar for researchers, especially early-career investigators focusing on applying for local and international research grants

## Budget Preparation for Research Grant Applications

### Outline

- Understand regulatory framework
- Identify different types of budgets
- Know budget requirements/F&A rate
- Draft a budget
- Think about post-award considerations
