

CURRICULUM VITAE

CONTACT INFORMATION

Full name: Eisha Indumani Waidyarathne

Name with initials: E. I. Waidyarathne

Address:	(Office)	(Residence)
	Department of Anatomy,	No 240 A, Wackwella Road
	Faculty of Medicine,	Galle,
	University of Ruhuna,	Sri Lanka.
	P.O.Box 70, Galle,	Tel. +94 – 91 – 2243202
	Sri Lanka	+94 – 772 –988 319
	Tel. +94 – 91 – 2234801-3	
	Fax +94 – 91 – 2222314	
	E-mail – eiwaidya@yahoo.co.uk	

PERSONAL INFORMATION

Date of Birth: 24.05.1970

Place of Birth: Galle, Sri Lanka.

Citizenship: Sri Lankan

Sex: Female

EMPLOYMENT HISTORY

Work History:

December 1997 – June 1998

Temporary Demonstrator,
Department of Anatomy, Faculty of Medicine, University of Ruhuna, Galle, Sri Lanka.

July 1998 – December 1998

Intern House Officer in Surgery,
Teaching Hospital Karapitiya, Galle, Sri Lanka.

January 1999 – July 1999

Intern House Officer in Medicine,
Teaching Hospital Karapitiya, Galle, Sri Lanka.

August 1999 - October 1999

Registered Medical Officer
Teaching Hospital Karapitiya, Galle, Sri Lanka.

November 1999 – November 2007

Lecturer

Department of Anatomy, Faculty of Medicine, University of Ruhuna, Galle, Sri Lanka.

December 2007 – December 2012

Senior Lecturer (Grade II)

Department of Anatomy, Faculty of Medicine, University of Ruhuna, Galle, Sri Lanka.

December 2012 – to date

Senior Lecturer (Grade I)

Department of Anatomy, Faculty of Medicine, University of Ruhuna, Galle, Sri Lanka.

Other positions held:

Coordinator of BPharm Degree Programme, Faculty of Medicine, University of Ruhuna, Galle, Sri Lanka 2012-2015

Duties in present position:***Teaching:***

Conduct lectures, tutorials and practical sessions in Gross Anatomy, Neuroanatomy, Histology and Embryology for the first and second year MBBS students.

Contribute in in-course assessments and the 2MBBS examinations as an examiner

Coordinating the neuroscience course and the neuroscience assessment

Research:

- Associate supervisor of the PhD study titled “Development and validation of prediction tools to screen post-menopausal women for osteoporosis or high fracture risk”, Ms. HWAS. Subasinghe, BPharm Degree Programme, Faculty of Medicine, University of Ruhuna.2016-2019
- Associate supervisor of the PhD study titled “The Impact of Health Education Intervention on Glycaemic Control of Type II Diabetes Patients in Sri Lankan Population”, Ms. B.P.R. Cooray, BPharm Degree Programme, Faculty of Medicine, University of Ruhuna.2015-2018
- Associate supervisor of the local component of the PhD study titled “Undergraduate Vaccination Training Programme for Pharmacy Students: Development and Validation, Ms. Mary Jessimine Bushell, Lecturer in Pharmacy, School of Psychological and Clinical Sciences, Charles Darwin University Australia. 2015

- Principal investigator of a project titled "Validity of the stool antigen test as a non-invasive diagnostic method to diagnose *Helicobacter pylori* infection" funded by TURIS 2011 (2009-2012).

Service function:

Assistance in carrying out the investigation and treatment functions of the Reproductive Biology Laboratory of the Department of Anatomy 1999-2017.

Providing mentoring service for Medical students (2003-todate).

Administrative:

Coordinator of the BPharm Degree Programme, Faculty of Medicine, University of Ruhuna

Head of Department of Anatomy, Faculty of Medicine, University of Ruhuna 2020-to date

CONFERENCES, SEMINARS, WORKSHOPS AND TRAINING CONDUCTED:

1. Resource person of training course for MD Psychiatry selection examination organized by Sri Lanka College of Psychiatrists (2017 – to date)
2. Resource person, postgraduate teaching forum organized by the Galle Extracorporeal Life Support Organization (GELSO), Teaching Hospital, Karapitiya, Galle (2017)
3. Resource person, human biology training course of public health field officers organized by Department of Health Services, Southern Province (2017)
4. Resource person, workshop on "future trends in cardiothoracic surgery" organized by Galle Extracorporeal life Support Organization (GELSO) held from 3rd to 5th December 2016
5. Resource person, of the "post graduate teaching forum" organized by Galle Extracorporeal life Support Organization (GELSO) held on 01st April 2017
6. Resource person, Workshop on Community and Hospital Pharmacy Orientation Programme for Pharmacy Instructors organized by Medical Education and Staff Development Unit and BPharm Degree Programme (December 2012)
7. Resource person, Cardio-Pulmonary Rehabilitation Programme for Patients after Heart Surgery and Lung Surgery organized by the Cardio Thoracic Unit, Teaching Hospital, Karapitiya (December 2011)
8. Resource person, workshop conducted for Grade 10 and 11 biology Teachers of the Southern Province (November 2011)
9. Resource person, BSc Nursing Committee organized workshop to improve BSC Nursing Teaching Programme (December 2009)
10. Resource person, Committee for BPharm Degree Programme organized workshop on Review of Learning Objectives and Evaluation of Human Biology Module 2009 (April 2009)
11. Resource person, Committee for BPharm Degree Programme organized workshop on Review of Learning Objectives and Evaluation of Human Biology Module 2009 (April 2009)

12. Resource person, foundation module for new entrants 2009 - 2013)

CONFERENCES, SEMINARS, WORKSHOPS AND TRAINING ATTENDED:

- 1 Participant, online course for journal editors "Editorial Process part 2 conducted by International Network of Availability of Scientific Publications (INASP), Oxford, UK (May 2021)
- 2 Participant, online course for journal editors "Editorial Process part 1 conducted by International Network of Availability of Scientific Publications (INASP), Oxford, UK (October 2020)
- 3 Participant, programme review workshops conducted by Internal quality Assurance Cell, Faculty of Medicine, University of Ruhuna (2020-2021)
- 4 Participant, curriculum revision workshops series conducted by Medical Education & Staff Development Unit, faculty of medicine, University of Ruhuna (2019-2021)
- 5 Participant, Workshop on journal quality and SLJOL conducted by Ms. Sioux Cumming of INASP organized by National Science Foundation, Sri Lanka (March 2015)
- 6 Participant- Workshop on Mental Health First aid by Hana Morrissey, Senior Lecturer in Pharmacy, Charles Darwin University, Australia, organized by GMA (07th January 2015)
- 7 Participant, focus group discussion of the PhD project of Ms. Mary Bushell- Lecturer in Pharmacy, Charles Darwin University, Australia-Undergraduate Vaccination Training Program for Pharmacy Students: Development and Validation (6th January 2015)
- 8 Participant, Workshop on Clinical Pharmacy: What is its role in Sri Lankan healthcare setting? Conducted by Prof. Patrick Ball, Professor of Pharmacy, Charles Darwin University, Australia. (May 2014)
- 9 Participant, SLMA Pre-Congress Workshop Conducted by Ms. Soux Cummings, Programme Manager, Journals-on-Line INSAP Oxford, UK on Improving the Quality of Journals (July 2013)
- 10 Participant, Procurement Plan Workshop conducted by Faculty of Agriculture University of Ruhuna (May 2013)
- 11 Participant, Research Management Workshop organized by Deputy Vice Chancellors Office, University of Ruhuna under the project upgrading University of Ruhuna to International Level held at Hotel Centuria, Embilipitiya (December 2012)
- 12 Participant, Workshop conducted by Prof. P. Evans on Teaching and Assessing Professionalism in the Undergraduate and Postgraduate Medical Curricula organized by ME and SDU, Faculty of Medicine, Galle (August 2012)
- 13 Participant, Workshop on Impact of Road Traffic Accidents organized by the National Centre for Continuing Professional Development in Medicine and College of Community Physicians of Sri Lanka (June 2012)
- 14 Participant, GarNet organized one day international workshop on Patient Registry conducted by Dr. Teck Onn Lim (December 2010)
- 15 Participant, GMA and GarNet organized workshop on Medical Writing (February 2010)
- 16 Participant, Ministry of Higher Education organized Workshop on Planning the New Higher Education Project with Stakeholders (May 2009)

- 17 Participant, Medical Education and Staff Development Unit (ME&SDU) organized workshop on Critical Appraisal of a Clinical Trial conducted by Prof. Sarath Lekamwasam (April 2009)
- 18 Participant, Medical Education and Staff Development Unit (ME&SDU) organized workshop on Construction of Best Response MCQs and Extended Matching Items conducted by Dr. Indika Karunathilake (January 2009)
- 19 Participant, Faculty of Medicine, University of Ruhuna, Committee for Pharmacy Degree Programme conducted workshop on Review of curriculum, laboratories and implementation plan for Bachelor of Pharmacy 2009 (November 2008).
- 20 Participant, Faculty of Medicine, University of Ruhuna, Galle Research Network (GaRNet) conducted workshop on Qualitative Research Methods (September 2008).
- 21 Participant, Faculty of Medicine, University of Ruhuna, Galle Research Network (GaRNet) conducted workshop on Qualitative Research Methods (July 2008).
- 22 Participant, Faculty of Medicine, University of Ruhuna, IRQUE.QEF Activity 1.1, conducted Refresher workshop on facilitating small group teaching and essential learning skills (June 2008)
- 23 Participant, University of Ruhuna, Staff Development Centre conducted workshops on Certificate Course for Professional Development in Higher Education (CCPDHE July2003 - Dec 2004).
- 24 Participant, Faculty of Medicine, University of Kelaniya conducted workshop on Computer Assisted Learning (June 2004).
- 25 Participant, Faculty of Medicine, University of Ruhuna, Medical Education & Staff Development Unit conducted workshop on MCQs as an assessment tool.(May 2004).
- 26 Participant, Faculty of Medicine, University of Ruhuna, Medical Education & Staff Development Unit conducted workshop on Comprehensive Literature Search Using Pubmed (May 2004).
- 27 Participant, Faculty of Medicine, University of Ruhuna, Medical Education & Staff Development Unit conducted workshop on 5 S Quality Management (August2003).
- 28 Participant, Faculty of Medicine, University of Ruhuna, Medical Education & Staff Development Unit conducted workshop on Formative Assessments (June 2003).
- 29 Participant, Faculty of Medicine, University of Ruhuna, Medical Education & Staff Development Unit conducted workshop on The Audio Visual Techniques for Student Centered Learning (April 2003).
- 30 Participant, Faculty of Medicine, University of Ruhuna conducted workshop on New Initiative in Curriculum Revision (March 2003).
- 31 Participant, Sri Lanka Medical Association conducted workshop on Medical Writing (March 2003)
- 32 Participant, Sri Lanka College of Oncologists conducted workshop on Molecular Oncology and Immunology of Cancer (January2003).
- 33 Participant, Sri Lanka National Science Foundation conducted workshop on Utilization of Genome data for the development of new diagnostics, therapeutics and vaccines (January2003).
- 34 Participant, Faculty of Medicine, University of Ruhuna, Medical Education & Staff Development Unit conducted workshop on Getting Started on Research (April - November 2002).

- 35 Participant, Ruhuna Task Force Faculty of Medicine, Galle organized Workshop to develop research project proposal on Reproductive Health (April 2002).
- 36 Participant, Faculty of Medicine, University of Ruhuna, Medical Education & Staff Development Unit conducted workshop on Epi-Info (November 2001).
- 37 Participant, Faculty of Medicine, University of Ruhuna, Medical Education & Staff Development Unit conducted workshop on Making Better MCQs (July 2001).
- 38 Participant, Faculty of Medicine, University of Ruhuna, Medical Education & Staff Development Unit organized workshop Conducted by Professor Brooke Murphy (WHO Consultant on Medical Education) on Life Long Learning (February 2001).
- 39 Participant, Faculty of Medicine, University of Ruhuna, Medical Education & Staff Development Unit conducted workshop on Formulating Teaching and Learning Objectives (June 2000).
- 40 Participant, Faculty of Medicine, University of Ruhuna, Medical Education & Staff Development Unit conducted workshop on Small Group Discussions (April 2000).
- 41 Participant, Faculty of Medicine, University of Ruhuna, Medical Education & Staff Development Unit conducted workshop on Use & Misuse of Overhead Projectors and Projections (February 2000).
- 42 Participant, Faculty of Medicine, University of Ruhuna, Medical Education & Staff Development Unit conducted workshop on Making a Lecture Interesting (December 1999).

EDUCATION

Secondary:

Sangamitta Balika Vidyalaya Galle, Sri Lanka.
 General Certificate of Education -Ordinary Level (1986)
 General Certificate of Education -Advanced Level (1989)
 Subjects: Botany(A), Chemistry(A), and Physics(C), Zoology(A).

Tertiary:

University of Ruhuna, Sri Lanka.
 Anatomy (Distinction), Physiology (Pass), Biochemistry (Pass)
 2nd Class Upper Division in 2nd MBBS (1994)
 Parasitology (Pass), Microbiology (Pass)
 Pathology (Pass), Forensic Medicine (Pass), Community Medicine (Pass),
 Pharmacology (Pass)
 2nd Class Lower Division in 3rd MBBS (1996)
 Surgery (Pass), Medicine (pass), Paediatrics (Pass), Gyn & Obs (Pass)
 Passed in Final MBBS (1997)

Post Graduate Training: Completed a PhD – Title “Upper Gastrointestinal tract abnormalities in patients referred for Gastroscopy and the prevalence of *Helicobacter pylori* infection among them: a hospital-based study in Sri Lanka” 2007

PROFESSIONAL QUALIFICATIONS

Certifications and Accreditations:

- Registered Medical Practitioner in Sri Lanka Medical Council (SLMC Reg. No. 14510)

Computer Skills:

- Obtained skill on Microsoft Word / Microsoft Excel / Microsoft PowerPoint and SPSS statistical software.

AWARDS

1. Recipient of letter of commendation – Transforming University of Ruhuna International Standards (TURIS) project funded by Government of Sri Lanka for the project titled “validity of stool antigen test as a non-invasive method to diagnose *Helicobacter pylori* infection in 2016
2. Award for the best paper on Surgical Disciplines for the presentation “Endoscopic and histological abnormalities in patients referred for routine upper gastrointestinal endoscopy” at the 67th Annual Academic Sessions of the Galle Medical Association, Sep 2008.
3. Award for the best paper for the presentation “Prevalence of *Helicobacter pylori* infection among patients undergoing upper gastrointestinal endoscopy” at the 66th Annual Academic Sessions of the Galle Medical Association, Sep 2007.

GRANTS

Research Grants:

1. University of Ruhuna Research Grant (2005, 2006 and 2007) for the PhD study titled “upper gastrointestinal tract abnormalities in patients referred for gastroscopy and the prevalence of *Helicobacter pylori* infection among them; a hospital-based study in Sri Lanka.”
2. Grant under the project Transforming University of Ruhuna to International Level (TURIS -2011) to a study titled “validity of stool antigen test in diagnosing *Helicobacter pylori* infection.” (215, 766.00 LKR).
3. Grant under the project Transforming University of Ruhuna to International Level (TURIS -2013) for the PhD study titled “A study of upper gastrointestinal diseases in patients undergoing upper gastrointestinal

endoscopy for clinical indications and the prevalence of *Helicobacter pylori* infection among them; a hospital-based study among Muslim population in Eastern Province of Sri Lanka. (3.5843 Mn LKR)

POSITONS HELD / PROFESSIONAL MEMBERSHIPS

Membership in Professional Bodies:

1. Life Member, Sri Lanka Medical Association (SLMA).
2. Life Member, Galle Medical Association (GMA) Sri Lanka.

Positions held:

- 1 Senior treasurer, Anatomical Society, Faculty of Medicine, University of Ruhuna (2021 to date)
- 2 Joint Editor of Galle Medical Journal (2016 to date)
- 3 Joint Secretary, Galle Medical Association (2015,2016,2017)
- 4 Senior Treasurer, Explorers Club (December 2013 to date)
- 5 Secretary, RUMSAA (Ruhuna University Medical School Alumni Association) (2013-2019)
- 6 Joint editor, Galle Medical Association (2012-2014 & 2018)
- 7 Coordinator, BPharm Degree Programme (November 2012- November 2015)
- 8 Coordinator of the Neuroscience Course for 2MBBS students (2012 to date)
- 9 Student Counselor (2012 - 2013)
- 10 Chairperson, Medical Exhibition Center (2011 to 2017)
- 11 Unit Coordinator of Human Biology in BPharm Degree Programme (2010 - 2015)
- 12 Convener, Centre for Molecular Medicine (CMM) 2000-2010)

Membership in University Bodies:

- 1 Convenor, committee to develop a policy document on differently abled students, Faculty of Medicine, University of Ruhuna (2021-2021)
- 2 Chairperson of SER writing committee of Programme Review for criteria 2 (2020 to date)
- 3 Member of SER writing committee of Programme Review for criteria 2 (2019 to date)
- 4 Principal coordinator interfaculty dancing and literature competition (IFDLC) 2019
- 5 Faculty coordinator of "orator of the year competition", University of Ruhuna (2015-2017)
- 6 Faculty coordinator of Interfaculty dancing and literature competition (IFDLC), University of Ruhuna 2015
- 7 Committee member of RFMTA (2011)
- 8 Committee member of RFMTA (2010)
- 9 Member of the committee to prepare course content in MSc Anatomy Course (2009)
- 10 Member of the inquiry board for student clashes (2009)

- 11 Member of the committee of Medical Laboratory Science for the Course Unit of Human Biology (2008 to date)
- 12 Member of advisory board to Medical Education and Staff Development Unit (ME & SDU) (2008 to date).
- 13 Departmental representative for the pre clinical module on Anaemia (2008)
- 14 Member of Scholarships & Fellowships committee (2001 to 2005).
- 15 Convener of the Curriculum Revision Committee (CRC) appointed Modular Sub Committee of Blood, Lymph and Immune System (2004)
- 16 Member of the work group of Integrated Teaching Module on Nutrition (2001)
